Get ahead of the game

## **DO YOU WISH YOU HAD STARTED PLAYING GOLF WHEN YOU WERE YOUNGER?**

Well, here's some good news ...

We will be starting the IntroGolf programme on the school field for boys and girls aged 3 years and up. IntroGolf is an exciting opportunity for girls and boys to participate in one of the most lasting, sociable sports in the world ... GOLF!

Using the specially designed Golf equipment, fun and positive lesson format, we introduce children to the game of golf. It must be stressed that IntroGolf will provide your kids with a basic introduction to golf. First and foremost, IntroGolf is a life skills development program that enhances leadership, confidence, social interaction, responsibility, respect, independence and physical development.

The classes are small, controlled and positive, thereby giving parents value for money and children structured coaching.

Membership to IntroGolf is as follows:

- **R950** per term
- **R200** registration fee (includes cap and shirt)
- Payment is due by the first lesson by EFT or cash (NO CHEQUES)  
FNB Acc No: 62018522145, Branch Code: 212217  
Please use your child's full name and school as a reference
- If you wish for your son or daughter to attend, please fill in the reply slip and email to [EddieEdwards@icon.co.za](mailto:EddieEdwards@icon.co.za) as soon as possible.
